Clinch River Beekeepers was founded in 2012 in Richlands, Va. We meet at the Richland's Presbyterian Church, 1301 2nd St, Richlands, VA 24641, every 3rd Tuesday of the month at 7pm. We have a strong club for our small town with most members attending each month. We are always happy to accept anyone interested in beekeeping and our main purpose is sharing our knowledge and trying to educate people in our area.
